

Environmental Policy Statement

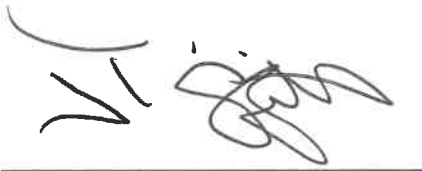

Last Reviewed: June 2026

Statement

The Company is committed to minimising the environmental impact of all its operations, preventing pollution and striving for continual improvement in its environmental performance.

In order to achieve these aims the company will:

- Meet all legal requirements, regulations and standards.
- The Company will enhance environmental awareness amongst staff through structured training and the adoption of sound environmental principles.
- The Company strives to minimise the environmental impact of its activities and minimise the effects of noise, dust, disturbance and inconvenience as far as practicable.
- The Company endeavours to make a positive contribution to biodiversity.

Tudor Griffiths

Managing Director
